

Multi- Engine IF (CPL)

About us:

U-Fly Training Academy was established in 2007 as a flight Training Academy that could provide aspiring pilots their chance to fulfil their aviation aspirations through the school's low cost but comprehensive flight training program.

What is a Multi-Engine Rating?

This is a combined course, including a CPL and a Multi. Engine Instrument Rating.

It will entitle you to fly commercially, taking control of bigger aircrafts and getting paid to do what you love and is significantly valuable for flying under IFR is the ability to fly in instrument meteorological conditions (such as inside
