

Night Rating

About us:

U-Fly Training Academy was established in 2007 as a flight Training Academy that could provide aspiring pilots their chance to fulfil their aviation aspirations through the school's low cost but comprehensive flight training program.

What is a Night Rating?

A Night Rating affords the competent Private Pilot the chance to conduct operations at night. It effectively increases the versatility and skill of the pilot as flying at night requires comprehensive judgment to conduct a flight safely and effectively. It is a requirement for the aspiring Commercial Pilot to have a Night Rating and it's also the practical second step to take towards their Commercial License

Description:

5 Dual Instrument hours on PA28-161 @ R2290.00 per hour (actual 6.5 hours) **R 11 450.00**
